

# Help Contents

Welcome to the Codex Wiki. Here you will find the documentation to edit and create pages on this wiki.

## Editing

- [Wiki Markup](#) - The most common wiki markups.
- [Lists Markup](#) - Creating and using lists.
- [Wiki Markup Cheatsheet](#) - Wiki Markup Cheatsheet
- [Feed Markup](#) - Using feed tags.
- [Messagebox Markup](#) - Using messagebox tags.
- [Codex Wiki Plugins](#) - How to create your own wiki plugins and extend the wiki parser.

## More Information

More information can be found via the Wikipedia site [Wikipedia Help](#) as this wiki follows many of its markup guidelines.
