

## This is the first wiki

*This is my wiki. There are many others like it, but this one is mine. My wiki is my best friend. It is my life. I must master it as I must master my life. Without me, my wiki is useless. Without my wiki, I am useless. I must wiki my wiki true. I must wiki straighter than my enemy, who is trying to outwiki me. I must wikis him before he wikis me. I will. Before God I swear this creed: my wiki and myself are defenders of my country, we are the masters of our enemy, we are the saviors of my life. So be it, until there is no enemy, but peace. Amen.*

I am the wiki master. Here me roar!!
